ELECTRIC LAMP TO MAKE IRONING EASY.
The latest improvement to the electric flatiron is a small light on its front end, which is so great an aid to the woman ironing in a dim light that she wonders why it was not thought of before.

The lamp is about one-fourth regular size, but is so placed that its rays fall directly in front of the iron upon the fabric to be pressed. It frequently saves the burning of a regular size light and gives better service.

TO HOLD FLOWERS.
A dollar and a quarter is the price of a painted tin receptacle for flowers. It is shaped like a cornucopia, and is fastened to chains, from which it is supposed to hang on a veranda or in a window.

WORLD'S MARKETS

New York, Aug. 3.—Other points of weakness or bear attack were uncovered during the forenoon, sugars and petroleum being uncommonly active and heavy. Cuban-American sugar dropped six points with two or more for Cuban Cane and American Beet. Possible trade or tariff regulations were given in explanation of the reversal in this group. Texas company lost 5 points in connection with the handicked imposed by further price reductions in crude and refined oils. Third Avenue's one point decline offered a reminder of local labor troubles and representative rails were under restraint because of similar influences. Bonds were irregular.

Chicago Grain

Chicago, Aug. 3.—Virtual failure of the wheat crop in a large section of Canada was reported today, and the market made a corresponding sharp advance. One of the best known experts in trade sent word from Brandon, Manitoba to Oxbow, Saskatchewan, the Canadian crop would yield practically nothing. Black rust, he said, was in every field and the plume was extending to Estevan.

Opening prices, which ranged from 1-4c off to 1-5-8@1 3-4c up with September at \$1.30 3/8 to \$1.32, and December at \$1.35 1/2 to \$1.36 1-8, were followed by substantial gains all around and then something of a reaction.

Corn rose with wheat. Assertions that rains in Kansas were not general tended to handicap the bears. After opening 1-4 to 1-5-8-1/2c higher, the market scored a further upturn.

Crop damage reports from the northeast lifted oats. Commission house buying orders were more numerous than has recently been the case.

Provisions averaged higher owing to lightness of offerings. There was considerable eastern selling, however, of December herd.

Heavy sales to realize profits caused a subsequent material setback in wheat. Moosejaw, Saskatchewan, denied that black rust was present there and some other reports from Canada were also more or less reassuring. The wheat close was weak 1-2-5-8 to 7-8c net lower with September at \$1.29 7-8 and December, \$1.32 7-8.

Numerous reports that corn was firing, especially in Kansas and central Illinois caused further gains, but the market eased off when wheat turned down at the close. The close was weak at 1-1-8@1 1-4c net decline.

Omaha Livestock.

Omaha, Neb., Aug. 3.—Hogs—Receipts 13,500; market lower; heavy. @ \$2.75@3.00; light, \$2.00@2.40; pigs, \$2.00@2.20; bulk of sales, \$2.80@3.00.

Cattle—Receipts 2500; market steady. Native steers, \$7.00@10.25; cows and heifers, \$6.00@10.50; western steers, \$6.50@8.75; Texas steers, \$6.50@7.50; stockers and feeders, \$6.00@8.00.

Sheep—Receipts 6000; market higher. Yearlings, \$7.25@8.25; wethers, \$6.75@8.00; lambs, \$9.85@11.00.

Crude Oil Prices.

Pittsburgh, Pa., Aug. 3.—All grades of Pennsylvania crude oil, with the exception of Ragland, were reduced 10 cents a barrel at the opening of the market today, and Ragland was reduced 5 cents. The new prices are:

Pennsylvania crude, \$2.40; Mercer black, Corning and New Castle, \$1.90; Cabell, \$1.92; Somerset, \$1.75, and Ragland 75 cents.

Refiners said that the next move in the market would be reduced quotations for gasoline.

UTAH STOCKS

Summary of the Local Market.
August 3, 1916.—The trading this morning among the local mining issues was somewhat heavier. All the dividend paying issues were slightly off in price, excepting Prince Con, which advanced to \$142 1-2. South Hecla was off to \$23.50, Iron Blossom sold at \$1.60. Among the speculative issues Sells, Silver Shield and West Toledo were the most active all of them being off in price. West Toledo was the one to sell of the most, selling as low as 5 1/2 cents, and a large block of Alta Germania sold at 5 cents.
